Homecoming is a night of many surprises. The game score, the announcement of the prize float and the crowning of the queen combine to make the evening a memorable one.

The floats are made by classes and clubs. Anonymous citizens of Blissfield are judges, and their selection is announced at half-time.

T. Wellnitz, B. Beal

The queen and her court are selected by the student body at an election held by the Student Council. The Queen is announced at halftime and is congratulated by the former queen. At the left S. Knisel is given roses by former queen Judee Maierle.

“DISCIPLINED, LIVELY, VARIED”

Torgny Astrom of Sweden and Ursula Hornig of Germany applied to be exchange students to America through the Youth For Understanding program of the American Council of Churches. Being accepted, they arrived last summer to spend a year with American families. After adjusting to the American way of life, both were destined to begin school at Blissfield High and meet with many new experiences.

URSULA had the new experience of riding a school bus when she started BHS. In Germany she rides a public bus to school. Her school, Neues Gymnasium in Göttingen, Germany, lasts until one o'clock so she spends the afternoon meeting the students of the other schools in town. Although the students attend school six days a week and carry a much heavier scholastic load than here, the school is over early.

School activities are similar. The Carnival Ball would be classed the same as our Prom. A few changes are made, however. Teachers and students dress up in costumes instead of formal wear.

Ursula says "The whole way of living seems different

to me. There is mainly more participation in public life. I liked especially the school spirit at BHS, and that the school is the center of student life and activity - which helps the relationship between teachers and students - something we lack." She also adds that BHS is "disciplined, lively, and full of work."

TORGNY's first surprise came when he changed class rooms and teachers for each class, unlike his schedule at Sandvikens High. Torgny's school never has homecoming or pep meetings. For their activities, they have a skiing week at the end of February, and once a month, a big school dance and a sportsday. Torgny observes that we have quite a few clubs which is one of the main differences in school activities.

Students tend to dress up for school in Sweden, but in the winter girls are allowed to wear slacks.

Torgny remarks "In the U. S. I like the easy going of life. In Blissfield, I like the good friendship between students and also the good student-teacher relationship." He also adds that our school is "active, requiring, and varied."

Fourth Time in Six Years

The 1964-65 Blissfield Royals bombed Tecumseh 98-75 in their final game of the regular season to finish second in the Huron League. The Royals record for the regular season was 11-5 and their overall record was 15-6. The Royal cagers also did quite well in their tournaments. They won the District Championship, making it their fourth district championship in the last six years. Advancing to the Regionals the Royals won their first

Regional game in over twenty years. Blissfield narrowly missed the Regional Championship when they were defeated by River Rouge, 64-56. River Rouge later went on to win the class B state championship. Blissfield never showed a lack of drive or determination during the entire season. This was evident in their various come-from-behind wins, especially the one over Airport on their home floor and the final game of the District Tournament when Blissfield downed Monroe Catholic Central. Coach Al Schaffer received fine performances throughout the season from the five seniors on the squad. The Royals look forward to a great season next year with six juniors gaining valuable experience on the squad and the members of a fine JV team coming up to the varsity level.

Since the 1965 baseball team lost a total of nine seniors, it was inevitable that this was to be a building year. Still the combination of returning veterans and talented rookies did succeed a few high spots - not the least of which was the team's 14-2 rout of arch-rival Tecumseh. Although graduation will again hurt the horsehiders, the return of many important members of the squad seems to promise a good year for '66.

The Look of Endurance

The 1965 Blissfield Royal track squad had a good season as they finished fourth in the Huron League. Many seniors came through as expected while underclassmen gained invaluable experience and discovered the real meaning of physical endurance. The squad gained enthusiasm as the student body turned out to see the first home track meets held on Blissfield High's new track.

During the season, four school records fell. Bill Stutzman, captain of the squad, set a new school record in the 880 in 2:04.65. John Mraz broke the record in the shotput as he raised the distance to 49 feet 2 1/2 inches. Sophomore Denny Sbach set a new school record in the mile with a time of 4:37. The mile relay team, composed of John Hall, Tom LaBenne, Tom Horkey, and Bill Stutzman, set a new record of 3:34.2.

The Student Council supported a variety of activities in 1964-65. Their initial step was to revise the Student Council Constitution. The Council chartered all school clubs and organizations and passed a student dress code. The Annual Bundle Days Drive was sponsored by the Council and they sent one hundred dollars to CARE. An assembly on films from Berlin, and the Christmas Dance were sponsored by the Council. To make money, they popped corn for all home football and basketball games. The Student Council also purchased pennants for the gymnasium and the American and Michigan flags to fly in front of our school.

Ability, awareness, interest, and sportsmanship are the many looks of GAA. Throughout the year the club meets to give high school girls the chance to compete against each other in such sports as basketball, volleyball, soccer, field hockey, and archery. When the GAA Girl of the Year is chosen, the award is based not only on her athletic ability but also on her attitude towards fellow players.

FHA

There is more to an election than just the marking of the ballot. The campaign starts with the contestants making posters.

The Future Homemakers of America have had the look of success this year. They have been very active in baked food sales and have made a float for the Homecoming. They have served at FHA, CBMC, and Alumni banquets. Nine girls and Mrs. Durbin went to Grand Rapids for the State FHA convention. The FHA members sponsored the regional meeting this year. There will be a National Convention in Philadelphia which Karen Keuchenmeister will attend, and a Leadership Training Workshop in Albion which will be attended by Pat Saylor, Mary Eisenmann, Karen Keuchenmeister and Mrs. Durbin.

Friends are called in to help you make your bid for the presidency.

Spanish Club

The look of fun and fiesta can be seen in the Spanish Club activities of the year. Several colorful piñatas were broken at the Christmas party. The club enjoyed seeing pictures of Spain and Portugal and learning more about their foreign friends. En todo este club es muy interesante para los estudiantes de Español.

Future Nurses Club

As the convertible moves down the field, Jeri, Ruth, Yvonne, and Pat see the look of progress. The Future Nurses Club float, "A Shot in the Dark," was pulled through the Homecoming parade. They visited the UpJohn Company in Kalamazoo. Guest speakers informed the members of opportunities of nursing as a career.

SOPHOMORES

The sophomores had the look of smugness when they built the winning float for Homecoming this fall with their "I'll Cry Tomorrow" theme. The girls enthusiastically cheered the boys of their class on to victory at football games. As the seasons changed, the boys came inside onto the basketball court where they comprised most of the JV team. During the year many sophomores were seen acquiring the look of leadership as they ably held officerships in the various school clubs - for their leadership, scholarship, service, and character, some of the sophomores were honored with membership in the National Honor Society. The dance they sponsored with the Downbeats providing the music was hailed as one of the best of the year. The climax came for the sophomores when they received their final report cards certifying they could now be termed as upperclassmen.

Administration and Faculty

— *Floyd J. Strayer* —

Floyd J. Strayer has completed 20 years as head of the Blissfield School System.

Mr. Strayer attended Eastern Michigan Normal School at Ypsilanti where he received his Life Certificate. To further his education and receive his A. B. degree, he went back to Eastern and then to the University of Michigan to earn his master's degree in 1938. He became Superintendent of the Blissfield schools on July 1, 1945.

During Mr. Strayer's administration, he has supervised the building of the West Side Elementary school, the reorganization of the school district, the merging of the rural districts, and the building of the new high school.

The Many LOOKS of Teaching

History teacher, Mr. Hunnewell, and the rest of the faculty spend most of their TEACHING day in the classroom, but this is not the only look of teaching.

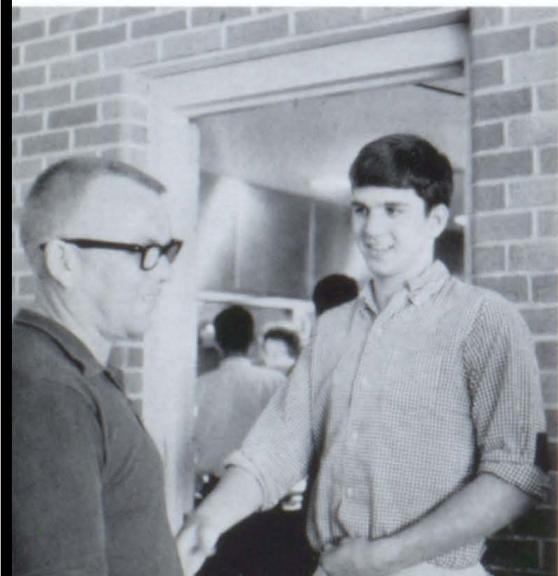

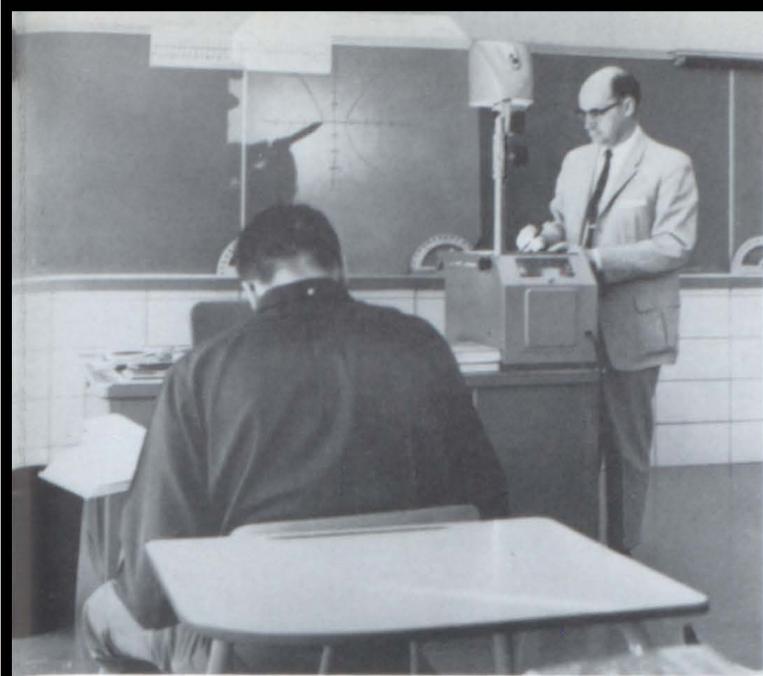

The beginning of Mr. Bruce's day is spent in PREPARATION for his science classes.

Part of Mr. Ridgley's day is spent in INSTRUCTING and evaluating his student teacher, Mr. Hoshal.

Besides teaching general business and physical education, Mr. Hepinstall SUPERVISES lunch periods.

Mr. Eisenmann uses a new teaching aid that projects his DRAWING of figures onto the blackboard.

Mrs. Brumbaugh finds that RECORDING grades on report cards is part of a teacher's life.

Mr. Capps is involved with not only the counseling of students but also the administration and evaluation of TESTING.

Mrs. Grinage spends part of her day DIRECTING the chorus.

Mr. Venema, agriculture teacher, is INSPECTING Kirk Knapp's farm project.

The school's LIBRARIAN, Mrs. Onofrio, checks out books for the students.

Mrs. Greenwald is considered a NOMAD because she has no room of her own.

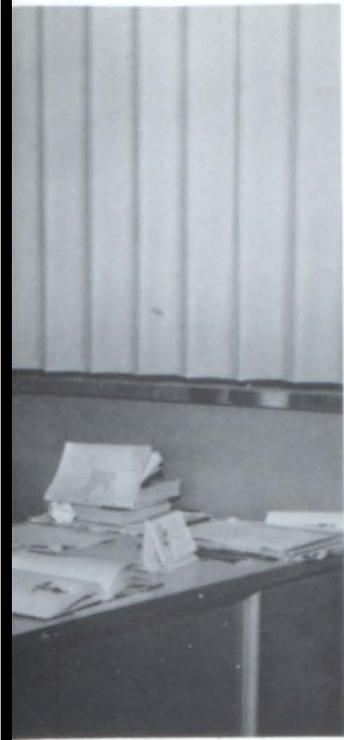

Mrs. Miller becomes a TUTOR to Larry Carroll after class.

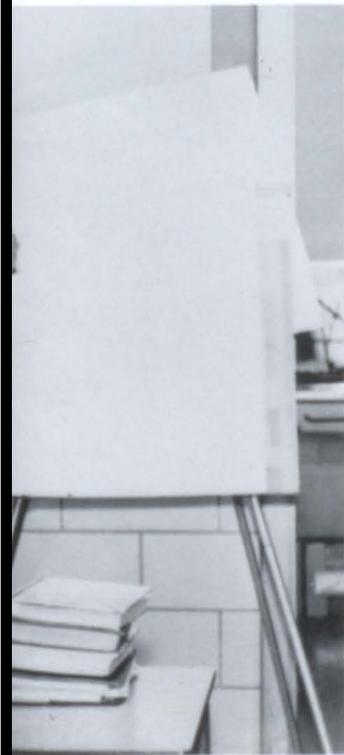

Machine OPERATOR, Mr. Williams helps a student finish his project.

ILLUSTRATOR; Mrs. Callaway, demonstrates how it should be done.

COUNSELOR, Mrs. Boylan helps students interpret test results.

LINGUIST, Mrs. McColl practices her English during her free hour.

The YEARBOOK staff has Mr. Durbin as its patient advisor.

Mrs. Kafer, who is in charge of CLASS NIGHT, checks the class will.

F. H. A. advisor, Mrs. Durbin, announces the F. H. A. program over radio station, WABI.

Mr. Beagle and the senior officers plan a CLASS MEETING.

CHEERLEADER PRACTICE proceeds under the skillful eyes of Mrs. Brown.

The NEWSPAPER is published under the direction of Mrs. Woodward.

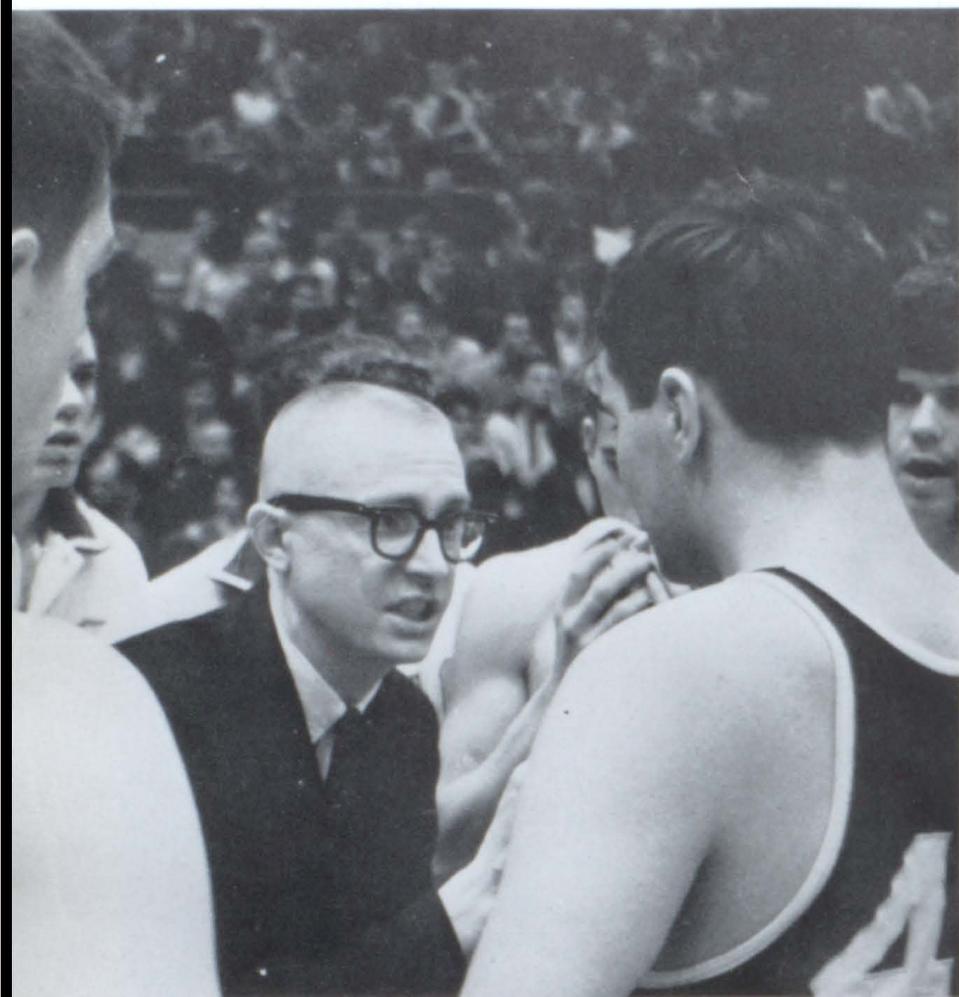

Mr. Brewer, as president, presides over a meeting of the TEACHERS' CLUB.

Mrs. Crist is the able director of our junior and senior PLAYS.

The SECRETARIAL CLUB meeting progresses under the watchful eye of Mr. Mulready.

COACHING the Varsity Basketball team takes up much of Mr. Schaffer's spare time.

STUDYING does not leave off when teaching begins. Mrs. Gould takes a night course.

Mr. McCormick is DIRECTING the band at a football half-time show.

Sometimes a teacher feels the best part of the day is the LEAVING of school when the day is over. Mrs. Culhane.

Chuck Brown, Student Council President, seeks advice.

You know our school skipping policy.

The grass keeps growing.

Our principal, Mr. Jack Barger, has the look of a busy man. His day is spent in giving morning announcements, supervising the Student Council, counseling students, working with teachers, and then still finds when he gets home that the grass, too, needs disciplining.

The office secretary, Mrs. Judy Beagle, is constantly working for everyone with a happy smile.

Greta Reinhardt and Vada Luke, Secretaries

A look of concern was seen on the seven school-board members' faces this year. They had to face up to the problem of many of our rural schools being declared unsafe. Their job was to decide what should and could be done.

This was the last year of having retiring Supt. Strayer as their employer for Greta Reinhardt and Vada Luke.

The cooks had Mrs. Baldwin as their new boss this year. There was to be a change for the better in the cafeteria food.
