Varsity Volleyball Serves Up Strong Season

Other teams merely serve, set, and spike their way through volleyball games. Of course, they were no match for the hard line-drive serves, the explosive spikes, and the well set-up plays the Blissfield Royals used.

The girls played well this year, proven by Sue Niemi's nomination for the LCAA league team, while Rose Hejl and Mary Lou Hoag received honorable mentions.

Front Row: C. Bachman, P. Johnson, Coach Kohler, G. Davis, D. Thompson. **Back Row:** L. Delzeith, R. Hejl, S. Monroe, S. Kreutzfeld, N. Perez, S. Niemi, M. Hoag.

Junior Varsity Sets Goals

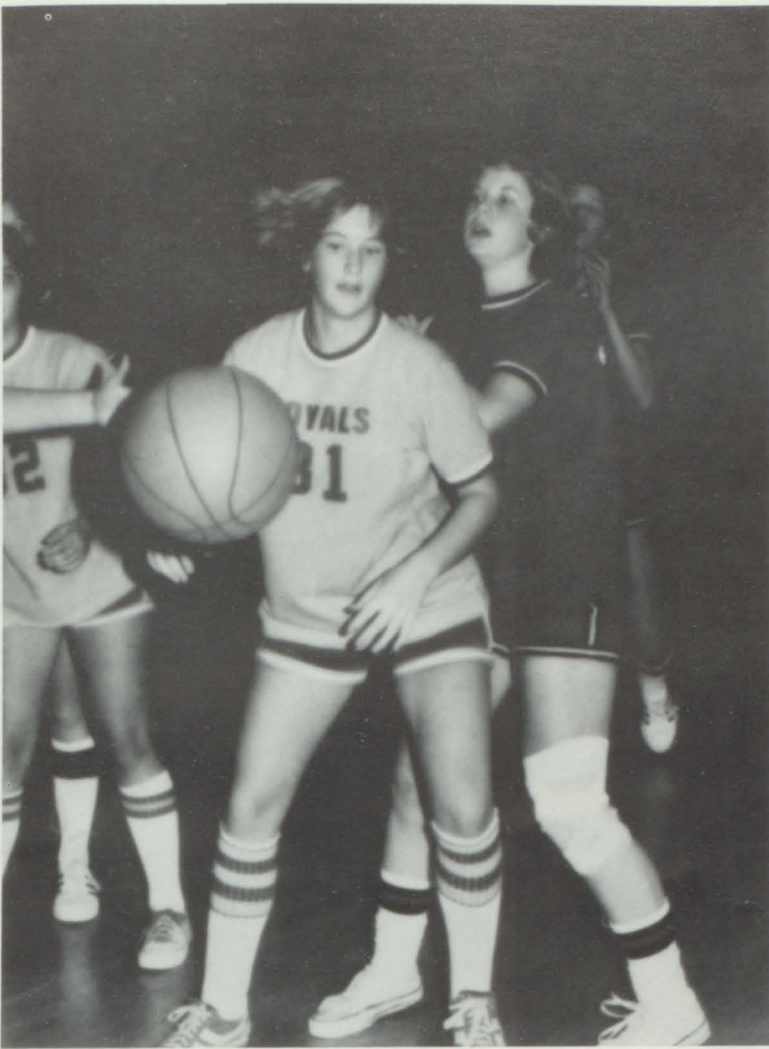

The J.V. Volleyballers really showed their competitors that the Blissfield Royals are made of tough stuff. The girls mastered the fundamentals quickly and peppered their opponents with killer spikes, no-return serves and last-second dinks. They played with a competitive spirit and good team work. Patty Reed was voted most valuable player and Debbie Hauser was voted most improved.

Front Row, Left to Right: P. Wilson, S. Retter, D. Hauser, D. Bussing, I. Sliker, A. Zimmerman. **Back Row:** Coach K. Pate, S. Siering, J. Fetzer, B. Peterson, E. Hadesh, G. Sinclair, J. Hottenstein.

New Class Swishes Basics

Screening? Man-to-man defense? Zones? This was the first time the freshmen and sophomores on the JV team had ever heard of these things, yet they soon learned of these terms and many others throughout their season. They learned not only basketball skills, but also teamwork and good sportsmanship. They also gained valuable experiences and friendships along with how to be a team of individuals, each doing a job on the court. These girls are the foundations of future basketball teams. They may be young and fresh, but through basketball they have grown in pride for themselves and their school.

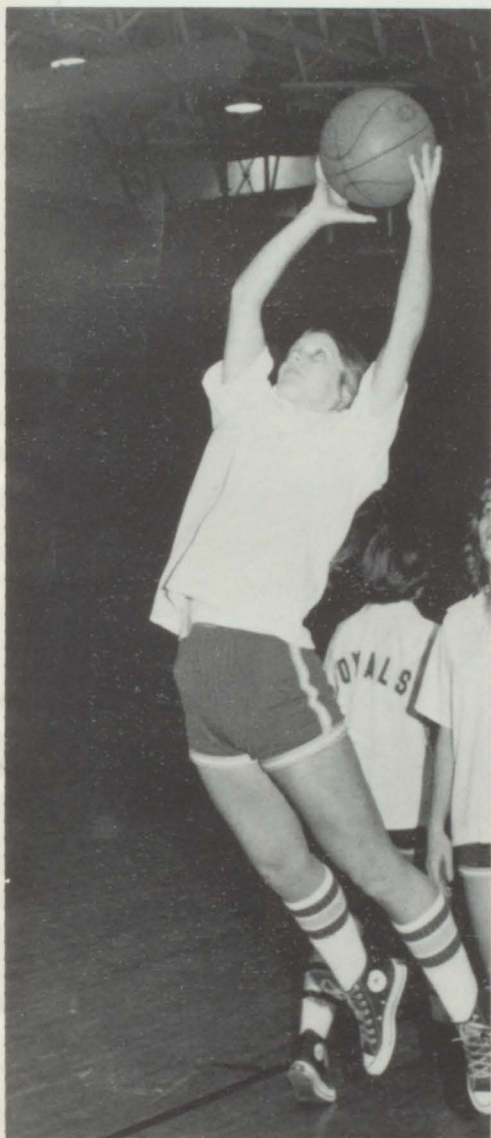

Front Row, L to R: D. Clingaman, M. MacBeth, A. Zimmerman, D. Hauser, L. Barrett. **Back Row:** Coach T. Vince, E. Sitterly, T. Tietz, P. Allen, J. Liewart, B. Cambal, P. Reed.

From Hopscotch to Zones, From Ribbons to Uniforms . . .

Once they played hopscotch, skipped rope, and wore ribbons in their hair; now they play basketball, practice drills, and wear tennis shoes. "They" are the girls who have given their time and energy to be on the girls' varsity basketball team. In everything it did, this team led in sportsmanship and teamwork. During the hard days from August until Thanksgiving, they pounded the hardwoods for the Royals and themselves.

Front Row, L to R: L. Delzeith, S. Niemi, D. Thompson, R. Slomski, S. Monroe. **Back Row:** Coach B. Kohler, C. Barrett, R. Vandenbusche, J. Koester, P. Case, Waterboy Rick Niemi.

Girls' Track No. 1

"Small, but mighty" aptly describes team size in '78. The team showed who was number one by winning Grass Lake Invitational, Class AA Blade Relays where B. Veldhoff was named most valuable player, LCAA League meet and Regionals. They also placed second at Bath Invitational. Despite 4 meets being run in the rain, 9 new records were set. In the Long Jump B. Veldhoff jumped 18'1 $\frac{3}{4}$ ". In High Jump B. Bilby leaped to 5'4". Rose Hejl set records in the 110 yd. dash :11.4; the 440 dash :59.1 and the shot put 34'4 $\frac{1}{2}$ ". In the mile Mary Lou Hoag ran a 5:51.7. M. Mirelez although injured early in the season set a new record in the 2 mile run, 13:58. B. Johnson sent the discus hurling 97'2" and the mile relay team of J. Fetzer, D. Hauser, G. Davis, and B. Veldhoff ran a record time of 4:21.1.

Junior Varsity Softball

Cross Country Is the Loneliest . . .

It takes a special kind of person to run Cross Country. It is not only one of the loneliest sports, but it is also one of the most rewarding. Though the running may be lonely, the cross country team works together. In their minds they know that no matter how tired their bodies get, they must not stop; they must keep pressing onward.

But what about their season?

National Honor Society

Scholarship, leadership, service and character are the qualities of the National Honor Society member. May 4, 1978, at the annual NHS banquet, 22 new members who possessed these qualities were welcomed while the old members were honored. Supt. Hales of the Evergreen Schools was the guest speaker. He based his presentation on attitude as the key to a successful future.

Mr. Dennis Hales, Supt. of Evergreen Schools, was guest speaker.

New members Brian Reau and Mark Checkley listen to Supt. Hales.

Class of '81

The freshmen begin a new life of different situations and learning experiences. Traveling through the hall of B.H.S., unknown faces pass by, unconcerned with the freshmen's presence. But soon they learned to grow into a part of the school spirit as those before them did. While entering the world of bigger and brighter surroundings, the freshmen realize the value of this first year.

The 1978 Elysium Staff

Not only has the school undergone several changes, but so has the yearbook staff. The fall staff did a good job with advertisement sales. However, it was the hardworking steadfast few that made do without pictures of several events and finished what was by others started. It has been a challenging practical work experience successfully completed by the following staff:

We thank contributing photographers Mr. Jack Barger, Powell Studios and the Blissfield Advance.

Monica Hacker was chosen as the outstanding senior member. The advertisement sale and the design of the ads were her responsibility.
